 [redacted] is our Executive Secretary and Neil [redacted] will be replaced by [redacted]

e. Temporary Lodging Allowance [redacted] has given us a copy of a proposal he received from the Chief of the Allowances Division at State which would change the time range governing the period during which the TLA may be granted. As proposed, Section 252.21 of the Standardized Regulations would change the time range from 60 calendar days prior to the employee's entrance on duty and ending 60 calendar days after his entrance on duty. As you know, the limit is now 30 days before and 30 days after entrance on duty. The 30 calendar days for which the TLA may be granted will remain the same. You may expect early publication of the revision.

f. Proposed Allowances Legislation Last week we mentioned a couple of items of interest in State's legislative package on allowances. You will be pleased to know State is recommending a change in the law on transfer allowances to permit payment of that allowance to people who return to the United States with no prospect of further overseas service. Also in the proposed amendment would be the payment of a "pre-departure allowance" to cover a brief period before departure from the United States for a foreign assignment.

g. Actions Requiring Headquarters Approval Please make the following changes in your copy of the Headquarters Addendum:

Bob Wattles will be sending each of you a note about the conference and soliciting your ideas for topics.

i. Federal Income Tax Withholding for 1971 You will soon be receiving copies of two publications circulated by Internal Revenue Service. One is a message for employees entitled "Will Your Withholding Tax Cover Your 1971 Income Tax?" The other is a copy of the 1971 income tax tables and rates. IRS has calculated that among those who are most likely to need more withholding are the following:

- (1) Each employee who expects to earn more than \$11,500 in 1971 and expects to claim the \$1,500 standard deduction or itemize deductions totaling less than 13 percent of their salaries.
- (2) Each single employee who expects to earn \$15,000 or more in 1971.
- (3) Each married employee who expects to earn \$25,000 or more in 1971 whose spouse is not employed.
- (4) All working couples.

1. Guidance on Preparation of Summary of Agency Employment (SAE) OP has compiled a folder of sample SAE's and resumes with narrative explanation of the purpose of each. The SAE's and the resumes included are actual documents which have, individually, been approved by Cover, Security and CI Staff but from which the names of the persons involved have been deleted. When Cover, Security and CI Staff approve the idea, a folder will be given to the Support Officer of each operating component so that he may use them for guidance to employees who are preparing their SAE's.
